More than you expect
from a B&B...

Located in the heart of St. Michael's, The Old Brick Inn is an elegant, historic inn (circa 1816), with the European charm of a boutique hotel, and the comfort and personalized service found in only the finest B&B's. The Old Brick Inn is comprised of the Wrightson Jones House at 401 S. Talbot and the Carriage House, adjacent to The Wrightson Jones House on Mulberry Street, and the Colonel Joseph Kemp House at 412 S. Talbot Street. Each of our rooms is luxuriously decorated and has its own private bath - and we're high tech, too! We now offer wireless internet service throughout the inn. In the tradition of fine country inns, The Old Brick Inn offers a delicious full breakfast every morning. Whether it's Banana's Foster French Toast, Baked Eggs with Fresh Asparagus & Crab, Fresh Raspberry Crepes, or some other gourmet offering, you can be assured that when you wake each morning, breakfast will be a delectable start to your day.

Our experienced innkeepers can help you plan the perfect vacation, a memorable event, or a professional conference retreat. The Old Brick Inn has assisted in the organization of family reunions, provided catered meeting facilities, and hosted poolside weddings. Call us with your idea, and we'll help you realize your dream.
